❘ Real Challenges Faced by Indian Universities

We spoke to hundreds of principals and faculty across India. Here are the top problems they face:

📋 Attendance Chaos

- ✗ Manual registers get lost
- ✗ Proxy attendance is rampant
- ✗ No verification possible
- ✗ Hours on monthly consolidation

📝 Examination Issues

- ✗ Paper exams cost lakhs/semester
- ✗ Evaluation takes weeks
- ✗ No timely student feedback
- ✗ Zero transparency in marking

📊 Zero Data Insights

- ✗ Can't identify struggling subjects
- ✗ Can't spot weak students early
- ✗ NAAC/NBA becomes difficult
- ✗ No year-on-year tracking

💬 Communication Gap

- ✗ Notice boards nobody reads
- ✗ Chaotic WhatsApp groups
- ✗ No official records
- ✗ Parents in the dark

⏰ Time Wastage

- ✗ More paperwork than teaching
- ✗ Manual data entry burden
- ✗ Report generation takes days
- ✗ Work duplication

💰 Budget Issues

- ✗ International software too costly
- ✗ Hidden per-user pricing
- ✗ Expensive training needed
- ✗ Wrong timezone support

⚠️ The Cost of Inaction

Every semester without a proper system costs your institution in wasted resources, lost productivity, and poor student outcomes. Can you afford NOT to have VidyaFlow?

Why VidyaFlow is Different

▍Built by Indians, for Indian Universities

We understand India because we ARE India. Designed by educators and technologists who studied and taught in Indian colleges.

🇮🇳 **Made for India**	💰 **Affordable**	❓❓ **Bilingual**
Semester system, internal assessments, university exams, NAAC/NBA requirements—all built-in.	Built for Indian budgets. No hidden costs. No per-user fees. One price, unlimited users.	Full Hindi + English support. Because not everyone is comfortable with English-only systems.

🤝 **Local Support**	📱 **Works Anywhere**	🎓 **By Educators**
Support team in India. Same time zone. Speaks your language. Understands your problems.	Students with ₹5K phones? Old computers? Low bandwidth? We've optimized for all of that.	Not built by foreign consultants. Built by people who've taught in Indian colleges.

▍Before vs After VidyaFlow

Task	Before VidyaFlow	After VidyaFlow
Taking Attendance	10-15 min per class. Proxy attendance. Lost data.	✓ 2 minutes. Zero proxy. Always backed up.
Monthly Report	3-4 hours of manual calculation. Errors common.	✓ 1 click. 5 seconds. 100% accurate.
Class Test	Print papers (₹5-10/student). 2-3 days evaluation.	✓ Online. Zero cost. Instant results.
Semester Results	2-3 weeks. Manual entry. High error rate.	✓ Within days. Digital. Detailed feedback.
Performance Analysis	Impossible. No consolidated data.	✓ Real-time dashboards. Instant insights.
Parent Visibility	Zero. Only know during PTM (twice a year).	✓ Anytime access. Automated alerts.
NAAC/NBA Data	Nightmare. Weeks of manual collection.	✓ Export with one click. Ready format.
Cost per Student/Year	₹500-1000 (paper + staff time)	✓ Less than ₹100. 80-90% savings!
